

COMMUNITY LEGAL EDUCATION FOR YOUNG PEOPLE AND WORKERS

COMMUNITY LEGAL EDUCATION: WHAT WE DO

We help young people, teachers and community workers understand the law and how it can affect them. We help young people to know their rights, understand their responsibilities and navigate confidently through the legal system, knowing when and where to ask for help and further advice.

"engaging and relevant" - TEACHER

"Clear, interesting and user friendly!"
- COMMUNITY HEALTH WORKER

"totally not boring" - YOUNG PERSON

RESPONDING TO NEED

We deliver community legal education that is relevant and in a style appropriate to the needs of young people, teachers and community workers. We can visit your organisation, school or group to give you the information you need.

RESOURCES

We provide legal education resources for use in schools, social services and community settings. See our website for more publications.

- **Trusted Moments**, a short film and resource package about the law of consent and the importance of respect in relationships
- **Sex, Consent and the Law**, a pocket guide to your legal rights and responsibilities when it comes to sex
- **In Trouble with the Law?**, a flyer and card about our Youth Legal Service
